Greetings.

GCS Energy Services Ltd. has a diversified heavy equipment fleet for all earthmoving and civil construction projects.

Whether in the shop or in the field, our full-time staff of certified Journeyman Heavy Duty Mechanics ensure regular scheduled maintenance of our equipment is completed properly and in a timely manner. Daily Equipment Checklists assure that the equipment is being cared for and that routine checks are completed thoroughly to guarantee the longevity and quality of the machines.

A Journeyman in the field is \$165/hr Reg. and \$185/hr OT. In the shop, our service technicians are hired at a rate of \$130/hr Reg. and \$155/hr OT.

With over 300 pieces of equipment, we are proud to service the oilfield and construction sectors with more than just labour and materials.

We invite you to call our sales and rentals manager, Jennifer Silva, at 780.717.7197, or visit our website at www.gcsenergy.ca for further information on our rates, equipment, and contacts.

GCS Energy Services Ltd. looks forward to providing you with all of your heavy equipment needs.

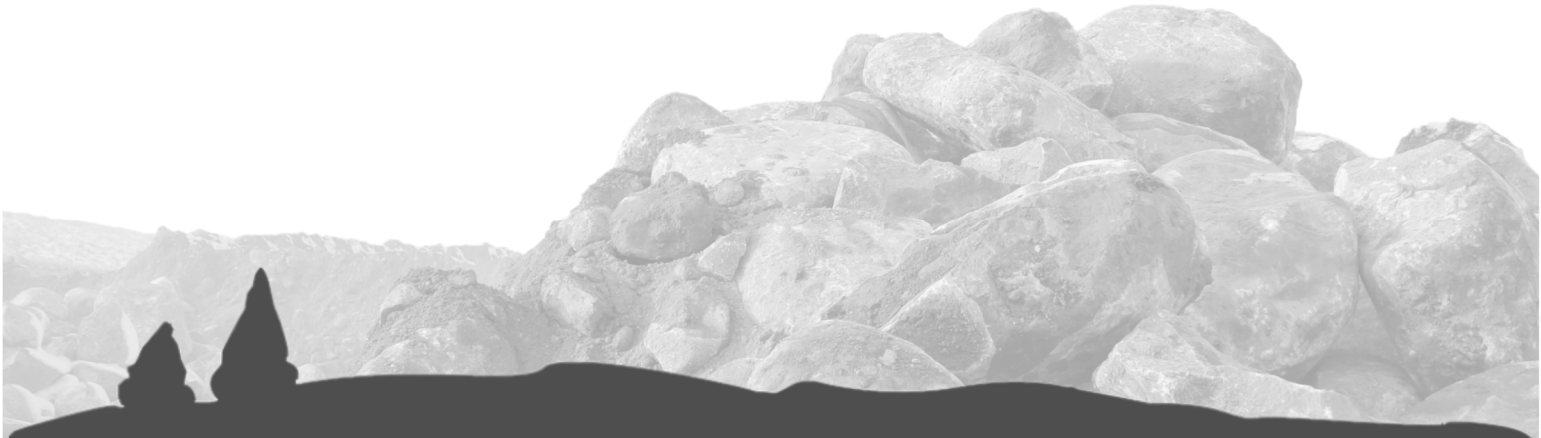

Sincerely,
Greg Schmidt
